Happy Hollow Farm CSA Membership Agreement

- As a Happy Hollow Farm CSA member, you share in the bounty as well as the risks that accompany farming. CSA membership allows you to forge a connection with your food, the farm where it is grown, and the people who grow it. As such Happy Hollow Farm CSA membership is a season long commitment. If you cannot finish out the season, for whatever reason, you are welcome to reassign your share to another household, but we do not issue refunds for shares.
- If you are unable to pick up your box on delivery day, you must make alternate arrangements for your produce ahead of time. You can ask someone else to pick up your box for you, you can ask the farm not to make a box for you that week, or you can contact and ask your site coordinator to hold your box for you for a later pick-up.
- For your records keep a copy of your membership form, keep the CORE group members and site coordinator's contact information readily available if you have questions. We have a long delivery season and these are the folks you should contact first with questions.
- Read the newsletters and emails that accompany each delivery. Besides news from the farm, we communicate important announcements, provide recipes, and extend invitations and special offers to you through them.
- I agree to follow all rules & regulations posted at the farm & distribution site regarding volunteer shifts.

I would like to become a member of Happy Hollow Farm's Community Supported Agriculture program. I agree to cooperate with the other members in my CSA community and follow the CSA guidelines to make this an enjoyable experience for all. I am committed to my farm for the season and agree to share in the bounty and risks with my farmers and my fellow CSA members. I understand that it is my responsibility to know when and where to pick up my shares, and I agree to pick up my shares on time on my chosen delivery day.

By signing your name and the date below you acknowledge that you have read and agree to the above terms and conditions.
